HOW TO USE THE AGENT PRIORITY REPAIR DESK

1

SUBMIT

Send any inspection report - House Call or another inspector - plus selected items, amendment, photos or project notes.

2

TRIAGE

We confirm the information, trade needs and whether a site visit is required.

3

PRICE

We provide a budgetary path or prepare a formal site-verified proposal.

4

COORDINATE

When work is approved, Right Way schedules, communicates, completes and documents.

WHAT TO EXPECT

Responsive acknowledgement • accepts any inspection report • honest pricing path • clear site-visit expectations • visible follow-up • separate estimate and agreement

OWNERSHIP DISCLOSURE & CUSTOMER CHOICE

House Call Home Inspection and Right Way Construction Group are separate companies with common ownership. Clients and agents are free to choose any inspection company or contractor. Using either company does not require using the other. Right Way accepts reports from any inspection company, and requesting repair pricing does not obligate you to hire Right Way or authorize construction work.

Right Way accepts House Call reports and reports from other inspection companies.
